**Want to Get Into Garden of Eden for Buck, 10 Cents?**

**ABE MARTIN**

GRAND OPENING GIRLY GIRLY SHOW

**B**RISTOL, Fla., Feb. 13—It is now possible to get into the "original" Garden of Eden for one buck plus 10 cents tax.

And, if you do not wish to believe this is the original Garden of Eden, you had better stay away from Atty. E. E. Callaway, its founder. He is going to convince you that Adam, Eve, and a little old serpent were frolicking around Bristol in the very beginning.

"Gopher wood," said Atty. Callaway, "grows only one place on earth, according to Dr. Nieland of the University of Florida, and that is between Bristol and Chattahoochee, Fla. In Gen. vi, 14, 'God said unto Noah make thee an ark of gopher wood and pitch it within and without with pitch.' It was built about five miles north of Bristol and pitched with pitch taken right there."

The Bible did not locate the Garden of Eden, said Atty. Callaway, and man never has been able to put his finger on it.

**H**E WILL show you a picture of the United States engineers' signboard, erected just north of Chattahoochee, which shows the Apalachicola-Chattahoochee-Flint river system, and this system has four heads.

"The Bible says this river system rose in a land of good gold," noted Atty. Callaway, "and the Chattahoochee-Apalachicola rises in the gold belt of north Georgia, which assayers say produces the purest gold known. The Bible tells us that there was a form of resin, and onyx stone, which has long been noted."

Informed geologists, said Atty. Callaway, admit that the Appalachian section of the eastern United States is the oldest land mass on earth. The Bible names 28 trees, and, just north of Bristol, you will find a larger number of these trees than any place else on earth. Within the limestone formations, he said, can be found the fossilized bones of

Lots o' things baffle description but they don't baffle folks that try to tell about 'em.

every animal that ever lived on earth.

**WE** HAVE studied the prevailing winds," said Atty. Callaway, "and the 150 days in which the Bible says the ark was afloat would have taken it from Bristol, Fla., to Mount Ararat."

Atty. Callaway added that the Bible said—Gen. vi, 4, that there were giants abroad in those days. Well, there are nine foot graves in Florida, not too far away.

Mr. and Mrs. F. R. Wentworth of Valdosta, Ga., were in the Garden this day. They went as far as the place where the sand road had washed out. Then Mr. Wentworth got his

money back, and said he thought he'd come back when the road was fixed.

You do not have to believe this is the Garden of Eden if you do not wish to do so. But, as one Florida judge remarked, after cas-

ing the brief prepared by Atty. Callaway, "some men have been hung on less evidence than this."

It certainly is a nice, sunny place, and would have been ideal for an aging serpent to raise a family.

**Says Parables in Bible Show Way to Get Rich**

"Many rich and successful men and women," declares the author of a sensational 64-page booklet, "have no more brains or energy than average. They are usually driven to success. Frequently they are so helpless they can't quit even when they want to. Their money is made in spite of themselves."

The author gives a most astonishing formula for wealth and success based on long misunderstood parables in the Bible, a formula which he developed while making four fortunes—two for other people and two for himself. Even while the formula was still incomplete, he made and lost fortunes. Now the formula is complete, he declares success can be won again by the average person and made permanent.

The formula can be followed by rich or poor, in almost any job or business, in any honest trade or profession. And it is so simple that the entire booklet can be read in three hours. Its title is "Get Rich in Spite of Yourself." The book has proven a sensation. 200,000 already sold by mail.

Thousands ordered by sales managers for their salesmen. A leading

eastern publisher is offering a deluxe store edition.

Another big publisher wanted to produce a special edition for large corporations to give free to their employees. A big newspaper syndicate wanted to publish it serially in 60 newspapers. Many readers wonder why they did not discover the formula for themselves, it is so amazingly right, so plainly practical and workable.

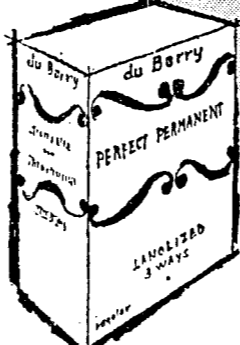

The entire booklet, containing the complete formula, is offered for only one dollar. The publishers say, "Read it for three hours, watch results for three weeks and if you are not delighted, return the book and get your dollar back." The publishers, Grafe and Grafe, 7172 Melrose Ave., Dept. 188, Los Angeles 46, California, will be pleased to send the 64-page booklet C.O.D. to any reader of this article—\$1.00 on delivery plus 44 cents postage and C.O.D. charges. Or the reader may remit \$1.00 with order and save 44 cents. In either case, the dollar will be promptly returned if the booklet is sent back within three weeks.

The deluxe book store edition sells at \$2.00; so order today, while the economy edition is still being offered by mail at \$1.00. "Get Rich in Spite of Yourself."

New Way Without Surgery

Science Finds Healing Substance That Does Both—Relieves Pain—Shrinks Hemorrhoids

New York, N. Y. (Special) — For the first time science has found a new healing substance with the astonishing ability to shrink hemorrhoids and to relieve pain—without surgery.

In one hemorrhoid case after another, "very striking improvement" was reported and verified by doctors' observations.

Pain was relieved promptly. And, while gently relieving pain, actual reduction or retraction (shrinking) took place.

And most amazing of all—this improvement was maintained in cases where doctors' observations were continued over a period of many months!

In fact, results were so thorough that sufferers were able to make such astonishing statements as "Piles have ceased to be a problem!" And among these sufferers were a very wide variety of hemorrhoid conditions, some of 10 to 20 years' standing.

All this, without the use of narcotics, anesthetics or astringents of any kind. The secret is a new healing substance (Bio-Dyne\*)—the discovery of a world-famous research institution. Already, Bio-Dyne is in wide use for healing injured tissue on all parts of the body.

This new healing substance is offered in suppository or ointment form called Preparation H. Ask for individually sealed convenient Preparation H suppositories or Preparation H ointment with special applicator. Preparation H is sold at all drug stores. Satisfaction guaranteed or money refunded.
